Larry-

I am privileged to be the first one to sign this yearbook.

Yes, I am a SENIOR!

Let's see where should

I start. How about with

Spanish class last year:

you and Willie. I'll never

forget that class. Now for

the ski trip. You better

go this year, because last

year was so much fun.

This time we get the

good room. Good luck

since you have 2 years

left hehe! Don't ever forget

me - if you do I am

found on pages 8, 9, 27, 39, 74, 75,

98, and 138. Keep in touch.

Dear little cousin,  
Listen I would  
tell you good luck  
with the girls but I  
don't think you need  
much luck - you really  
are doing O.K. to me. Well  
Good luck at everything else.  
Love ya,  
Gail

danny,

To a sweet guy I  
met last year. Good  
luck with the  
women and with  
your future. And if  
you wanted the chance  
you wouldn't get it!

Love you!

## Another State Championship Merit School Status

# WINNING TRADITIONS

Once again, CAPE has established itself as a contender in high school athletics. From the Football Team's second state title, to the Cross Country's national qualification, Basketball's success and Track dominance, CAPE's glory shines. And don't forget the Drill Team! In academics, once again, CAPE won "Merit School" honors. The Honor Society excels when it comes to student achievers. At the elementary level, the annual Spelling Bee brings out the "competitive force" so important in a school that has met the challenge.

A pat on the back, a pedestal to stand on, trophy in hand or even a smile from a friend can only tell us one thing — we're lookin' good! How did it feel to see Carlos now set a national scoring record? Didn't Brandon Jenkins look "marvelous" in his hat, or Scott Hilton's Hawaiian colors set the mood for color day? Wow! What about Julie Meierle's pink hair? Didn't that start a trend at the "Homecoming" festivities? Remember when Rachel and Vinnie got married in the wedding booth? Will dreams come true? What really happened behind the curtains of the kissing booth with Mr. Waddell? Was it just "chocolate kisses"? Wouldn't we like to know!

These were just a few of the exciting events that happened to us and the people we know. These are just a few things that made '87 a "marvelous" year.

## You Look Marvelous

# LOOKIN' GOOD

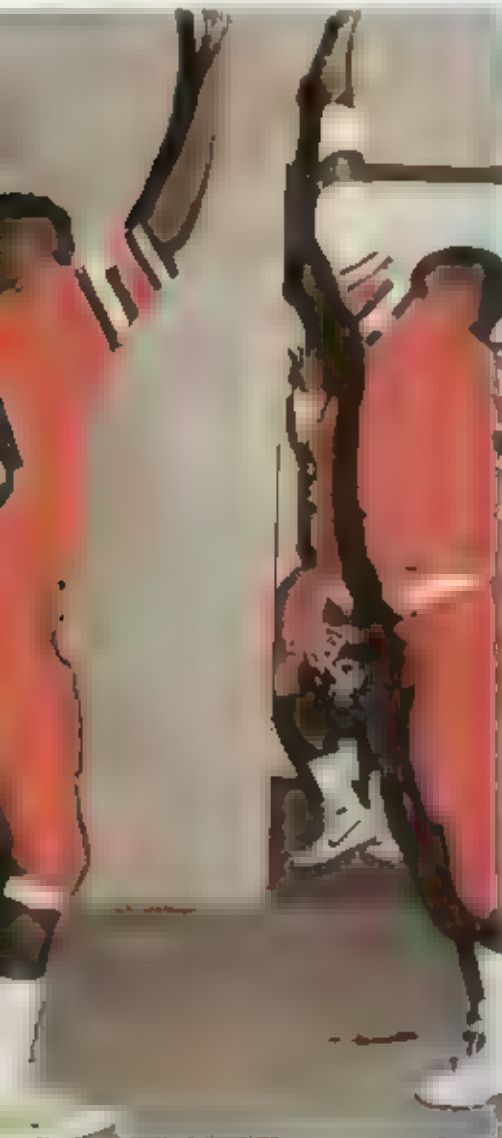

What do students at CAPE consider to be "Outrageous"? You can be sure that when something unpredictable happens somewhere in the building you will hear the echoes of "Outrageous" ringing throughout the hallways. CAPE's special male quartet harmonized their vocal words often.

The newly enforced dress code brought the first outcry of student objection. But by October, hardly a wimper could be heard. And the traditional student complaint about cafeteria food was not to be overlooked at CAPE as one in the outrageous category. But no one went hungry. And speaking of ridiculous situations, the senior prom room arrangement led some students and staff to hair pulling. While students socialized, teachers marked them absent. Confusion resulted. And just less what the seniors needed! Mr. Gaver had to call them in for being absent. But have no fear, things did work out. Besides, as outrageous as some things might have been for the moment, everyone survived and made it through another year.

## Students Respond To Adversity With Exclamation Of Year

# OUTRAGEOUS

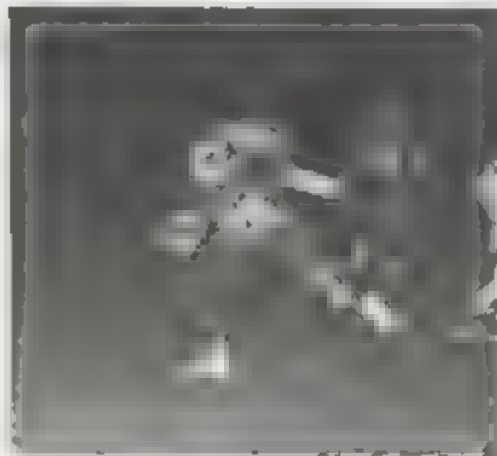

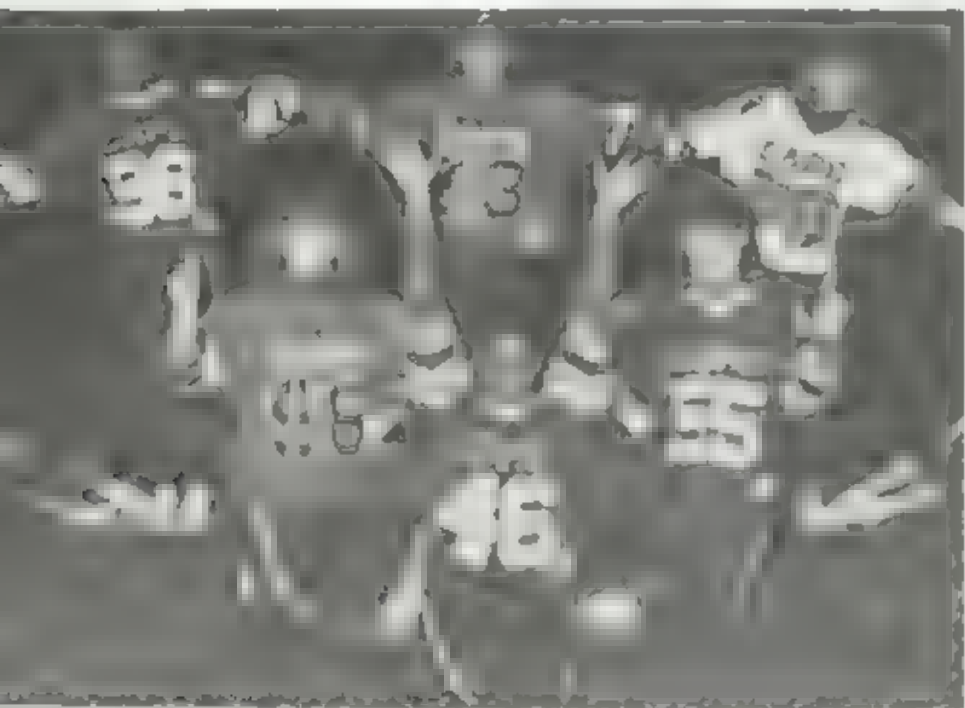

# TOUCH OF CLASS

Striving For The Top  
Reaching For Goals

What is that special quality we call "class"? It is the sparkle in your eye, the spring in your strut, the "A" on your report card and a varsity letter on your sweater. How do we achieve this quality? You have to believe in yourself and always do your best. There are no shortcuts on the way to the top. Give all that you have to all that you do. Don't worry if you make a mistake, just bounce right back and jump right in.

Search for your own goals. Know that you will always have your goal and that there will never be another goal exactly like yours. To sell the most candy, to come in first at the track meet, to win the State Championship two times in a row. To get straight A's (or even B's). These are the goals we set for ourselves and to reach them we need determination and the will to win, confidence to do the best job we possibly can and most of all you need a touch of class.

# FRIENDS FOREVER

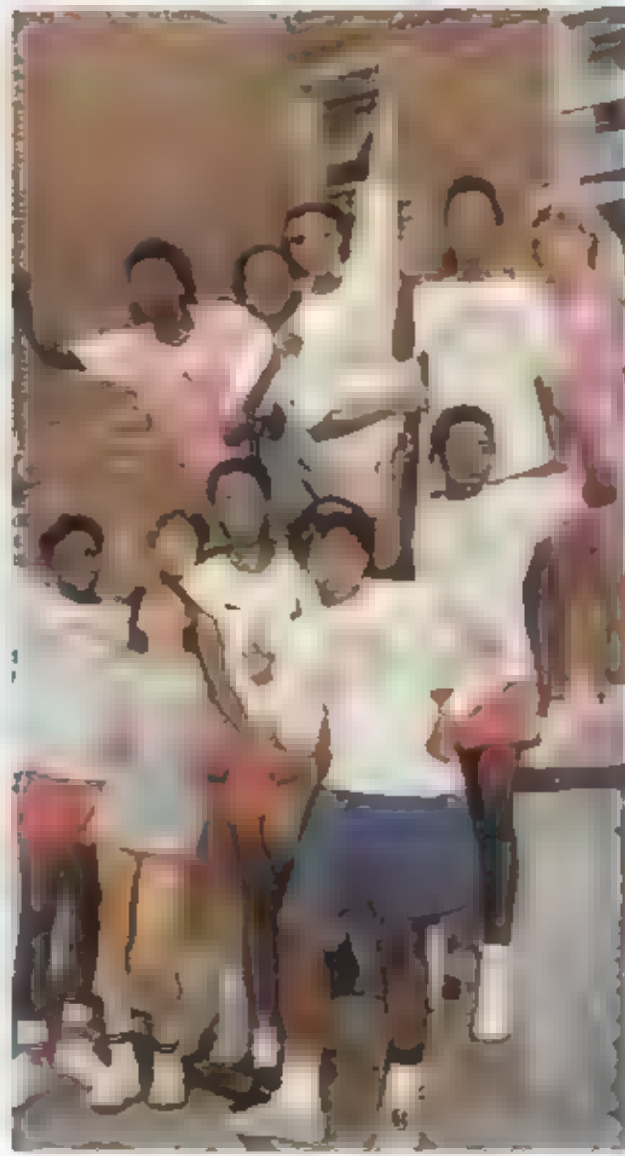

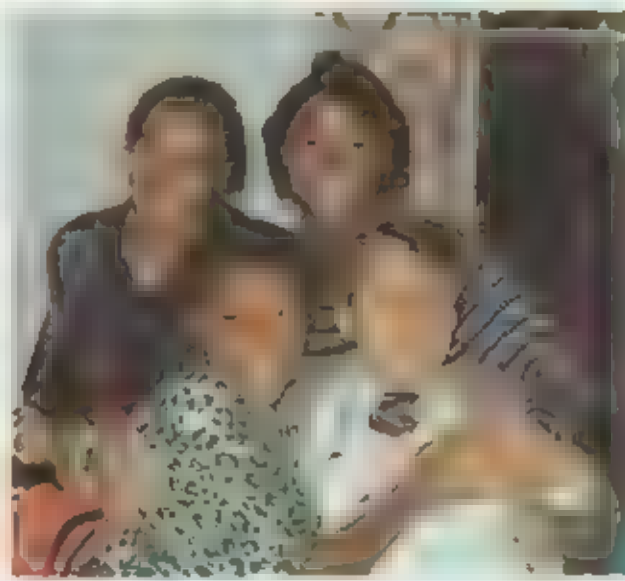

Live For Today  
Learn From Yesterday  
Dream For Tomorrow

As time passes on, both people and dreams change. Everyone begins to deal with the good and the bad, the victories and the losses. As the seniors reach the finish line of their high school days, they must say farewell to many friends and happy times at C. A. P. E.

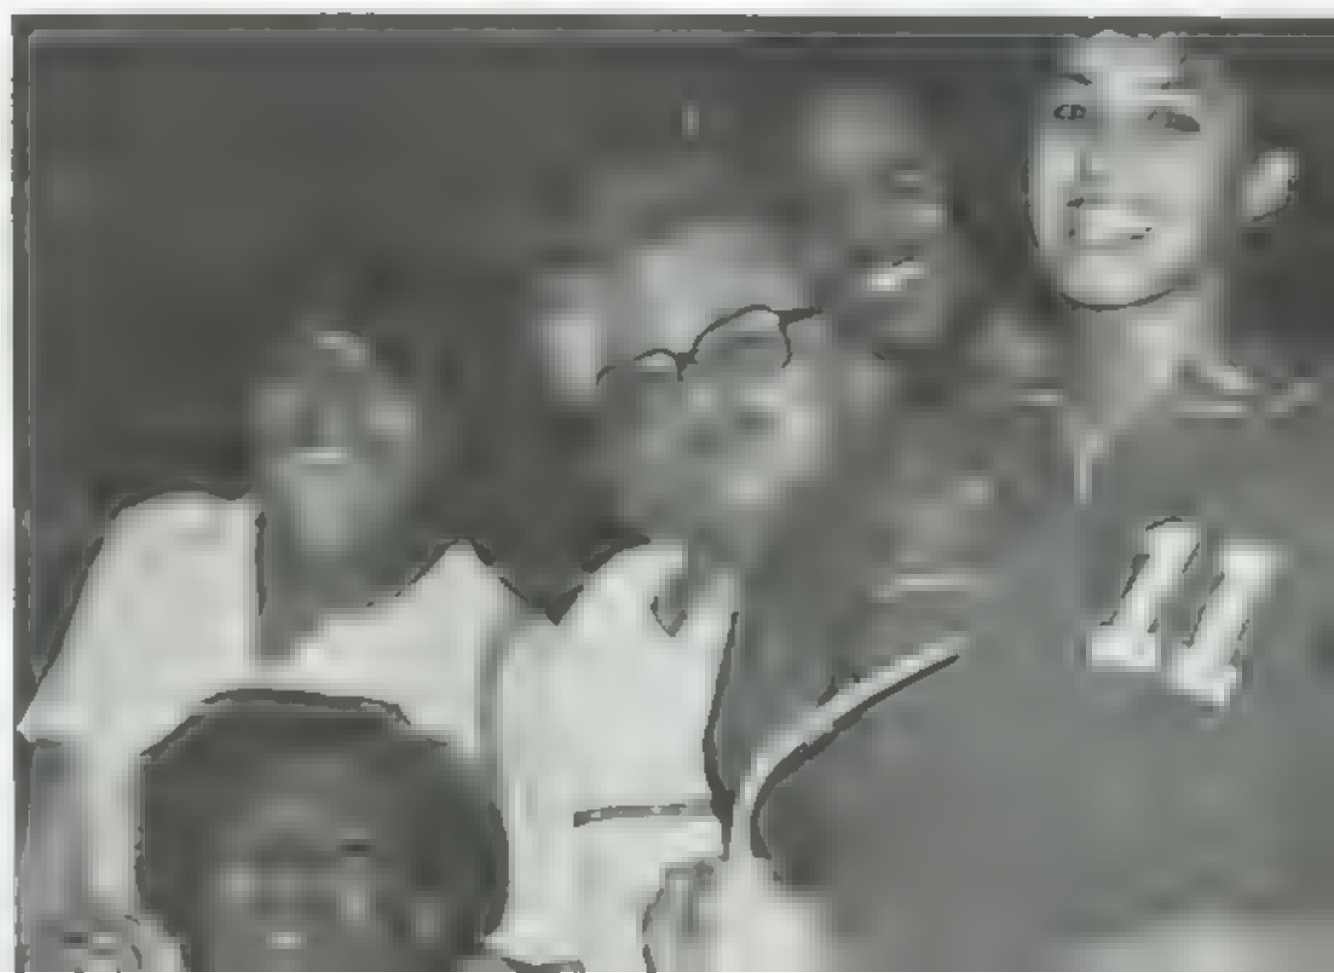

The only way to have a friend is to be one. Friendship is something to be treasured. Most of all it is sharing — both the good and the bad. There are times of happiness and joy; there are times of sorrow. Listening to each other when nothing makes sense is just as important as being a part of intelligent conversation. Being miserable together can turn tears to laughter. Understanding and acceptance when the mistakes multiply and there seems no way out is the ultimate test of friendship. Believing in and supporting a friend ties the bonds even tighter. What will everyone remember about the year of 1987? Of course, you will remember all the honors, awards, leaders, clowns, and the goof-off's, but most of all everyone will remember the friendship established.

These memories from YESTERDAY, TODAY AND TOMORROW will last a life time.

## Homecoming Celebration

Traditionally, Homecoming is a time when the alumni return to their Alma Mater. But for the students still in school, homecoming is a time when everyone in the school searches for a date. Everyone gets excited over the dance and the games ... most of all, the suspense of who the homecoming king and queen will be.

The suspense eats at you inside out! Hoping that the candidates who you voted for will be chosen king and queen. But if they lose, you're still behind your chosen candidate!

Finally, they're chosen! Out of these candidates for Queen — Nicole Brown, Darlene Faulk, Ginger Williams, and Shynita Kelly. Ginger was crowned Queen!

Out of these candidates for king Carlos Snow, Vinnie Clark, Lark Dudley, and Stuart Barrick. Vinnie was crowned King!

The week approaching the crowning is a week filled with activities that build from day to day. There are different events which happen everyday throughout the spirit week!

This year we had HAT DAY, HAWAIIAN DAY, SENIOR APPRECIATION DAY, SADIE HAWKINS DAY, and finally we had the Homecoming Parade. The posters in the hallways brightened young students' eyes.

The pep rally was a time for everyone to show their school spirit by screaming their lungs out!!

Spirit Week really paid off, along with our football players.

We won 46-6!

## Halloween Brings Out The Beast In Us

Halloween is the time of year when all creatures come out for fun. They haunt houses for candy, saying "Trick or Treat," Give them a treat then they scare you Halloween is the time to visit your friends at their Haunted Houses

Halloween is one of the few party days at C.A.P.E. This year the Primary Students celebrated with a party and a parade. They walked, slipped and skipped their way through the community hoping to scare everyone in sight! The Elementary Students had a gigantic monstermash. You had to be a spook to enter. You should have been there, Mr. Harris was there showing the monsters his dance steps

At the dance, the top 2 costumes were chosen, Mashia Washington wore the first place costume while Autumn Smith wore the second best costume. There were so many scary costumes! By the end of the day most students were tired, but not too tired to head for their own "trick or treating" encounters

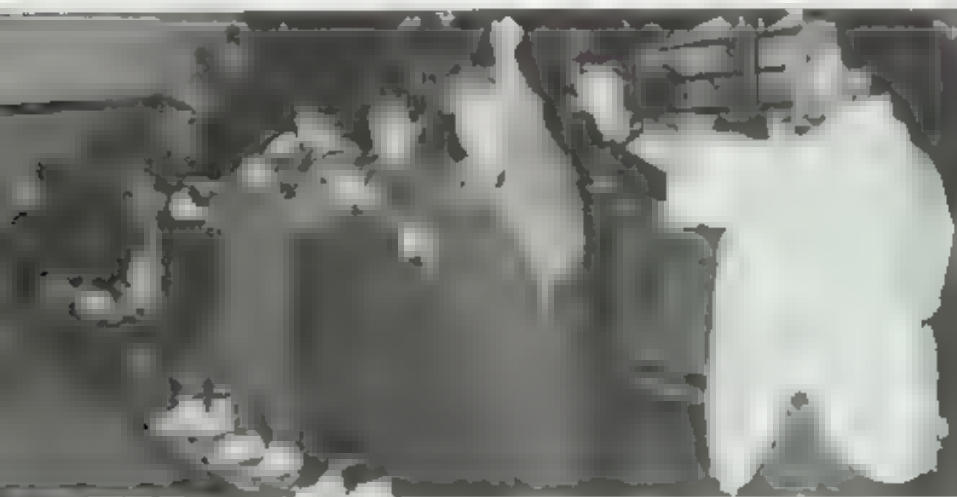

Before the teachers let the students out of school, they warned them of all the bad things that can happen. They also made them promise to bring back candy for them

## Faculty Outlasts Seniors; Annual Game Real Struggle

It happened once again! On December 23, the seniors challenged the teachers to meet them on the court for a game of volleyball. It was the time for CAPE's annual Senior-Faculty Volleyball game! Jackie Jordan was the coach for the seniors, chosen because of her will to win. It proved true because the seniors did fairly well. Some of the top senior players were Billy Philpot and Lewis Whitman. Mr. Millisor was the coach for the faculty. Two of the top players for the faculty were Mr. Gardella and Mrs. Burke.

The faculty struggled against the seniors during the first set, but did not win. Seniors beat them with only a point to spare in the first game. The seniors continued to strive, but despite their determination, the faculty won the second set tying the score. "We need a tie breaker!" Both teams showed determination. It was a tough competition. The faculty closed the match out-weighting the seniors by a 2 to 1 score. Here's a secret — the faculty won only because they had six of the best cheerleaders in the world. They were: Ms. Judy Deiters, Ms. Nancy Deiters, Mrs. Spratley, Mrs. Schearer, Ms. Reuscher, and Captain, Mrs. Carole Roberts.

# Sweetheart Dance Honors Allen And Philpot As Sweetheart And Beau

In the tradition set many years ago, the FHA Clubs and the Home Economics Department presented the annual Sweethearts Dance on Friday, February 13. This dance is always in mid-February to celebrate Valentine's Day. Mrs. Sutherland and Mrs. Davison each had their respective clubs nominate the candidates for Sweetheart and Beau. On the evening of the big dance, the winners were announced. Katrina Allen and James Philpot received their crowns. The crowning was the highlight of the dance. Many hours went into the preparations for the dance. Decorations, all carrying out a red heart theme, were made by the home economics students. The hours of labor paid off as the scene was a dream like atmosphere.

# Music Department Expresses The Soul Of CAPE

Mr. Steve Kern and Ms. Yvonne Gibson are responsible for the music departments of the High and Elementary schools respectfully. It is they who bring out the soul, the heart, of the school. When the Alma Mater or the school fight song sends chills through your body, you can thank them both.

# Journalism Classes Produce Yearbook, Newspaper

The two journalism classes each have their own speciality — Mr. Ammerman's class produces the school newspaper, *The CAPE Connection*, while Miss Deiters' class produces the yearbook, *The Quest*. The staff of each of these publications works endless hours pouring over pictures and writing copy. But when the final product is printed and greets the students body, the long hours are forgotten, and it's back to work again.

## CAPE Primary's Career Day Hugh Success

It was during the heat of those May days when the CAPE Primary held its Career Day. It's never too early to introduce the little ones to the world of work. Getting them to begin to set their sights to the future is a main purpose of the exercise. Besides, the guest speakers emphasized the need to study, get your work done, and give that little extra effort to succeed in anything the students try to do. It was a lesson well learned at any age.

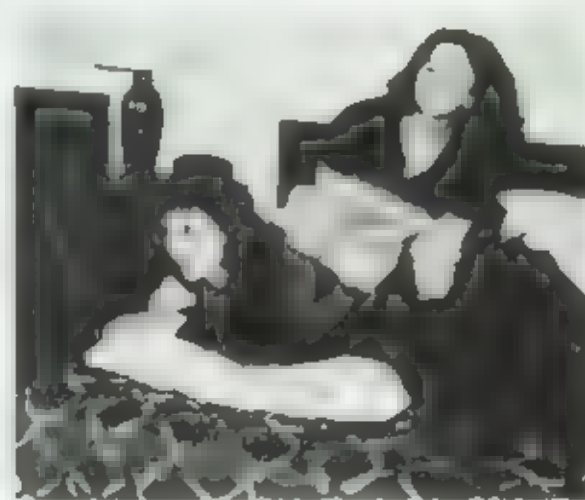

## Great Adventures Found In Great Outdoors

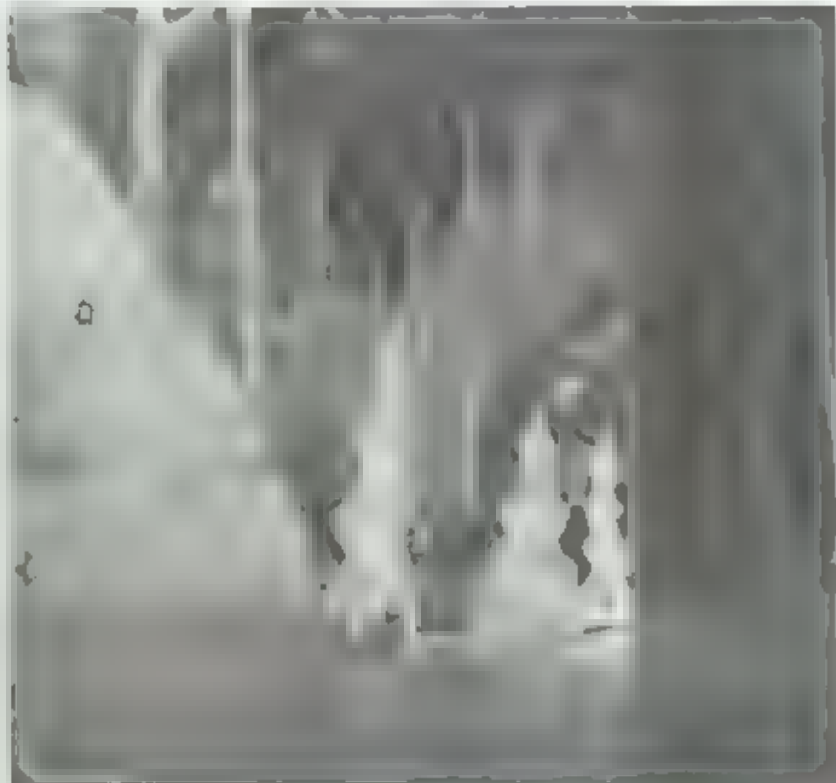

Whether it's rockclimbing, hiking or skiing, CAPE students have the opportunity to join in on the fun. Mr. Ranz, fondly called "Hug-a-Tree" taught the joys of a nature hike to so many SPP students in the spring. Off through the woods they went, finding possum, raccoon and fox trails. Those who found hiking to their liking, had the option of going to Kentucky to learn the art of rockclimbing. In keeping with the outdoor theme, over forty students traveled with Mr. Breiner to upstate New York to take on the slopes of Mt. Cockaigne. The week in the snow was enjoyed by all.

## ADC Club Presents "A Christmas Carol" And "Hansel And Gretel"

The Art, Drama Choir Club was one of the most active groups at CAPE this year. Two major productions were presented. In December, the school was treated to an old favorite, *A Christmas Carol* by Charles Dickens put everyone in the spirit of the holidays, despite its "Bah Humbug!" line.

In the spring of the year, *Hansel and Gretel* graced the CAPE stage. The plot of this classic was altered somewhat, but the triumph of good over evil theme came through loud and clear. Both productions were directed by Ms. Yvonne Gibson. Sets were by Mr. Ed. Harris.

## Academic Excellence Promoted In Many Areas

That the Cincinnati Academy of Physical Education promotes athletic excellence is of no surprise to anyone. But equally important to all those associated with the school is the academic achievement of each and every student. Its program has produced numerous awards and recognition.

The CAPE Chapter of the National Honor Society annually holds its initiation ceremony in the spring. Not only are grades considered, but character and citizenship as well. Mrs. Anderson is sponsor.

This year, a special assembly was held to honor athletes with high academic achievement. The team with the highest grade-point-average was reorganized also. This honor went to the Reserve Girls Volleyball Team.

## Black History Month Gives Students Cause To Celebrate

February is often described as the gloomy month. That might be true as far as the weather is concerned, but when it comes to activities inside CAPE, warmth and tradition abound. Under the guidance of Mrs. Melba Morgan, the Black History Committee planned many activities to remind us of the contributions and significance of the Black experience in America; Besides the individual teacher's who assign various projects on historical and biographical accomplishments of minorities in America, the school hosted 3 separated assemblies to highlight the month.

*Conrack*, starring John Voight taught CAPE students the importance of understanding cultural differences. Then the elementary staff produced an assembly with the Art-Drama-Choir Club singing several songs and a number of students reciting the work of Black poets.

The Senior high school presented 2 programs. Mr. Kern presented a music assembly, while Miss Daniels produced a program featuring the newly organized Gospel Choir. Besides, the Art Department of each wing gave us constant reminders of the month by decorating the bulletin boards appropriately.

# Derek McFadden Spelling Bee Champ

Every year the elementary staff stages the Spelling Bee. Under the guidance of Mrs. Melba Morgan, the bee is staged in the auditorium.

Several teachers serve as judges while others are pronouncers, giving the students their "word" to be spelled. This year's champ was Derek McFadden.

# PSAL Track Meet Pits City Schools In Competition

Every May, the enthusiasm for the outdoors increases. At CAPE, the Ability to get out into the sunshine is enhanced by the fact that the Cincinnati Public Elementary Schools track meet is held at CAPE. CAPE students serve as hosts and officials at these exciting events. This year marked the first time members of the helped with minor injuries and abrasions

Staging this event is a monumental task. It is only through the cooperation of the athletic department and Mr. Bob Schaefer's office that this event is carried off. Needless to say, it was a huge success.

## Vikki Rose, John Garner Reign Over 1987 Prom

May 8th seemed like it would never come! But before you knew it, the big day for the prom came and was over in a flash. But what a night it was. Under the guidance of Junior Sponsor, Mrs. Sutherland, The Terrace Hilton site became a dreamland reflecting the theme "Love is Forever". The deep blue of the helium filled balloons served as a clue for the cool sounds of the music that filled the room. The announcement of Vikki Rose and John Garner as King and Queen was the highlight of the evening. The Sky-line Ballroom dance floor was the perfect setting for a night so long awaited, a night marking the 1987 Junior/Senior Prom

# Class Day Recognizes Seniors

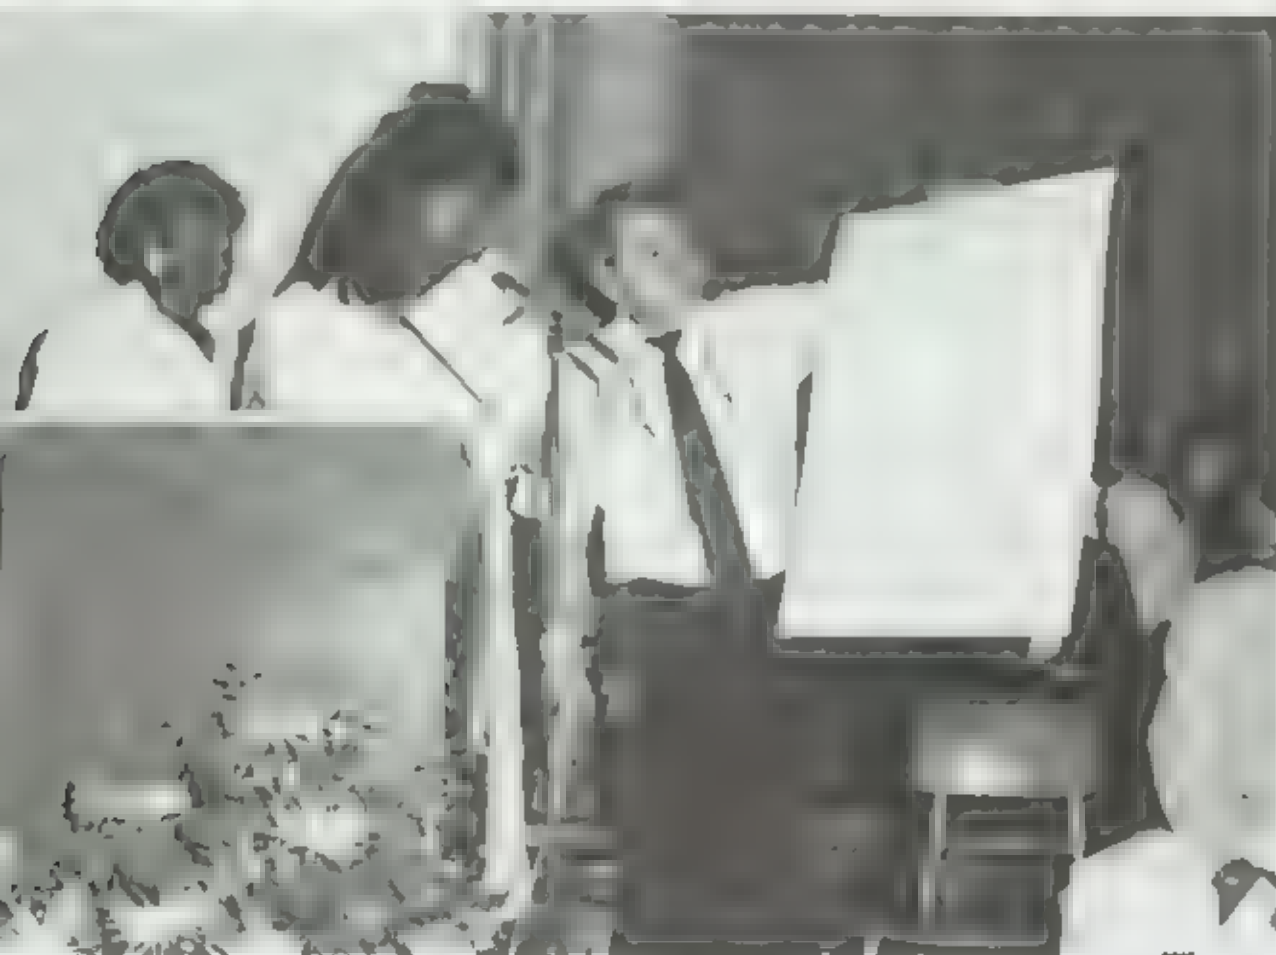

The Class Day of 1987 proved to be an event not soon to be forgotten. As the seniors marched into the auditorium on their last day at CAPE, excitement filled the air. The Crusader Court set the tone with their pride as the procession began. Up onto the stage the seniors marched, taking with them the memories of their days at CAPE.

The first awards went to the seniors who had served on the Crusader Court as Juniors. Each received a replica of the medals they had worn. Scholarship were then handed out, some by colleges, some by businesses and some by our own Honor Society. Mr. Maher gave his "Challenge" awards to Darnell Lee, Ronald Jenkins and Michael Bryant. The coveted Nora Thompson Award went to Vikki Rose and Sean Garner.

## Commencement Exercises Climax Another CAPE Year

The highlight of any school year is the graduation of its seniors. On June 3 the seniors of CAPF received their diplomas at 8 P.M. at Mt. St. Joseph. It marked the culmination of years of work and sacrifice by the students themselves, their parents, teachers, coaches and administrators and many others who helped along the way.

The exercise was, as always, marked by contrasts. There were tears shed for the parting of ways. But there were shrieks of joy as the class celebrated its accomplishment.

# “We’re No. 1” State Champs Again!

“Two in the shoe!” “Two in the shoe!” This was the cheer heard in the locker room after the Crusaders won the State Championship for the second consecutive year! Only this time they were moved from Div. IV up to DIV. III (due to increased enrollment). But this didn’t slow down the football team at all. They went 9-1 in the regular season, and outscored their opponents 99-36 in the playoffs, compiling an overall record of 13-1, thus proving that C A P E. was still a dominant force in a bigger division. Up until the ninth game of the season, C A P E. was untested at 8-0. Ironton handed the mighty Crusaders their first loss, ending their 24 game winning streak. The playoff picture seemed very bleak for C A P E. after that loss, but they pulled together to triumph over Indian Hill, assuring themselves a spot in the OHSAA Championship playoffs.

## Autumn Is Spiking Time

The girls varsity volleyball team coached by Mr. Bob Millisor had a discouraging final record of six wins and twelve losses. Although the statistics looked glum, the girls and Mr. Millisor seemed to have an optimistic attitude about this past year. Despite the twelve losses, they had a fulfilling season. Co-captains Erica Lane and Ruth Tombragel helped the Lady Crusaders win five out of the last six games giving the season a strong finish. This years Most Valuable Player award went to a well deserving Erica Lane. Most Improved Player went to sophomore Andrea Smythe. Andrea was a reserve player last year and moved up to a starting position on the varsity team for the 1986 season

## Tennis Team Progresses Throughout Spring

Good spring weather meant tennis was in the air nearly every day. Matches went on as scheduled for a change, and under the expert advice of Coach Lynne Hemmert, the team made great progress. Experience is a great teacher, and with so many juniors returning for next year, the team looks to the future with great anticipation. Mike Burke, one of these juniors not only served as captain, but was the number one singles player on the team. His leadership proved vital to the team. Next year should be a very good year!

## A Season Dedicated To A Memory

The untimely death of Robert Cooley in the summer of 1986 left his teammates and coach with a memory and a firm dedication for the '87 season. No meet was held without the constant reminder that Robert would want them to do their best. The state meet was held at CAPE on April 11. It was also the first annual Robert Cooley Memorial tourney. The girls won the meet with Jamie Lemmink taking a second place in individuals. The boys finished fourth with Billy Waters also placing second in individuals.

## A Repeat Performance

The 1986-87 Varsity Crusader Basketball Team had another great year completing the season with a record of 19 wins and 4 losses. In the past, the Crusaders have never had an overall losing season with a combined record of 93 wins and 28 losses. The team also won the Cincinnati Hills League for the second straight year.

Ricardo Hill won all-league first team. Vinnie Clark, Jason Mitchell, and D.J. Boston won all-league second team, while Coach Holland was awarded Co-Coach of the Year. The team hopes to have an even better season next year. The leaving Seniors wish next year's team good luck!!!

(1) Coach Holland gives a few last minute instructions. (2) The offense heads up court. (3) Jason gets the rebound and puts it back up. (4) Ricardo takes an outside shot

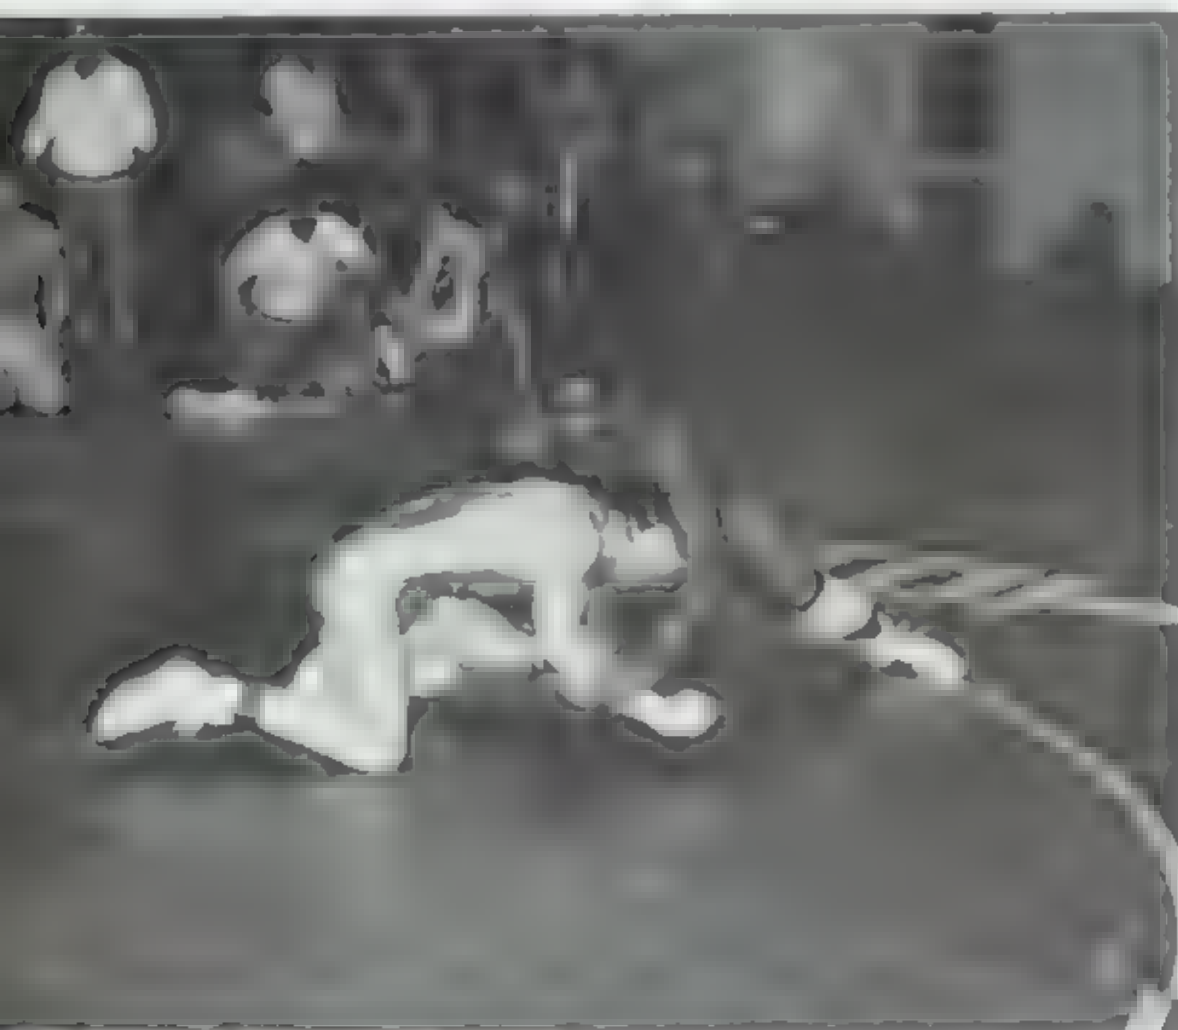

(1) Darnell awaits the inbound pass. (2) Coach Mason gives a pep talk. (3) Ricardo gets the break away basket. (4) DJ and Darnell trap a player in the corner. (5) The defense brings the offense to a standstill. (6) Ricardo takes a jumpshot.

# Wrestling Advances Two To State

For the first time in its short history, the CAPE Varsity Wrestling Team advanced two wrestlers to the State Tourney. Under the watchful eye of Coach Otto Liske, the team showed improvement in all aspects of the sport. The turnout was great enough to ensure a wrestler at all but the heavyweight position. In the past the team had to forfeit too many points because of its failure to fill so many weight classes. As a result of this major change, the 8-2 record was CAPE's best.

Taking individual honors this year were sophomores Brian Harris and James Gilbert. Both placed in the regional tourney at Dayton and went on to participate in the state finals.

(1) Ron Kner takes his opponent down in the CHL meet. (2) James Gilbert keeps his opponent down. (3) Assistant coach Brian Harris between rounds. The cheerleader raises Kevin Jeffers in victory.

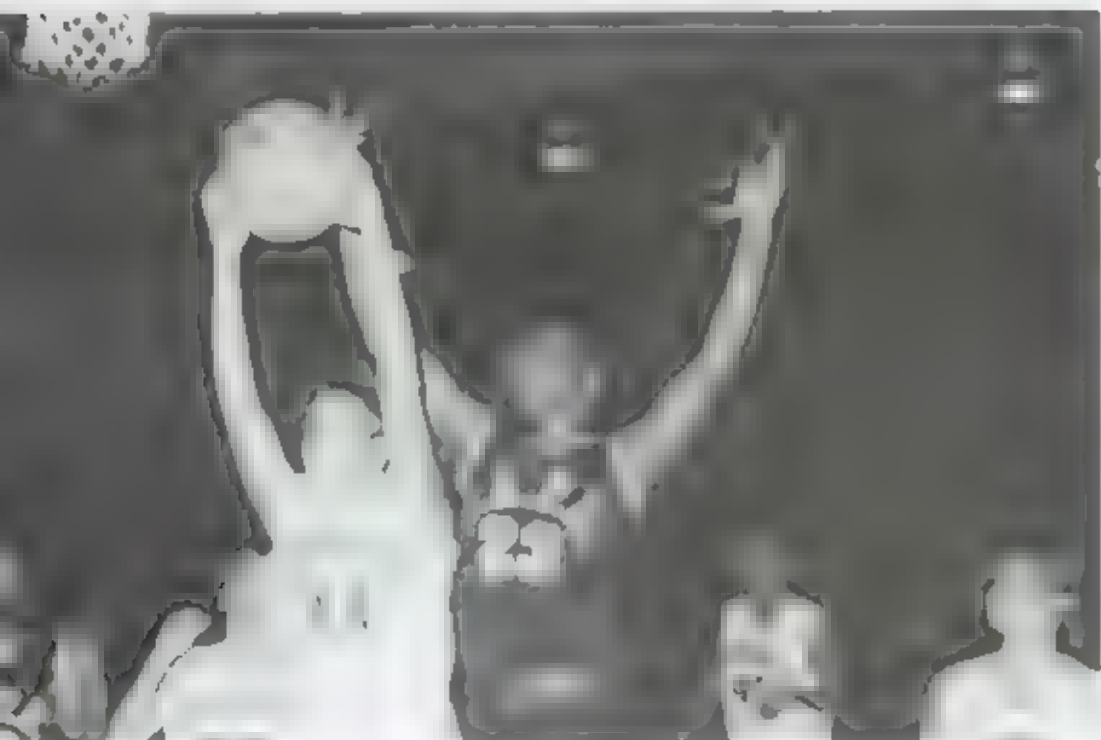

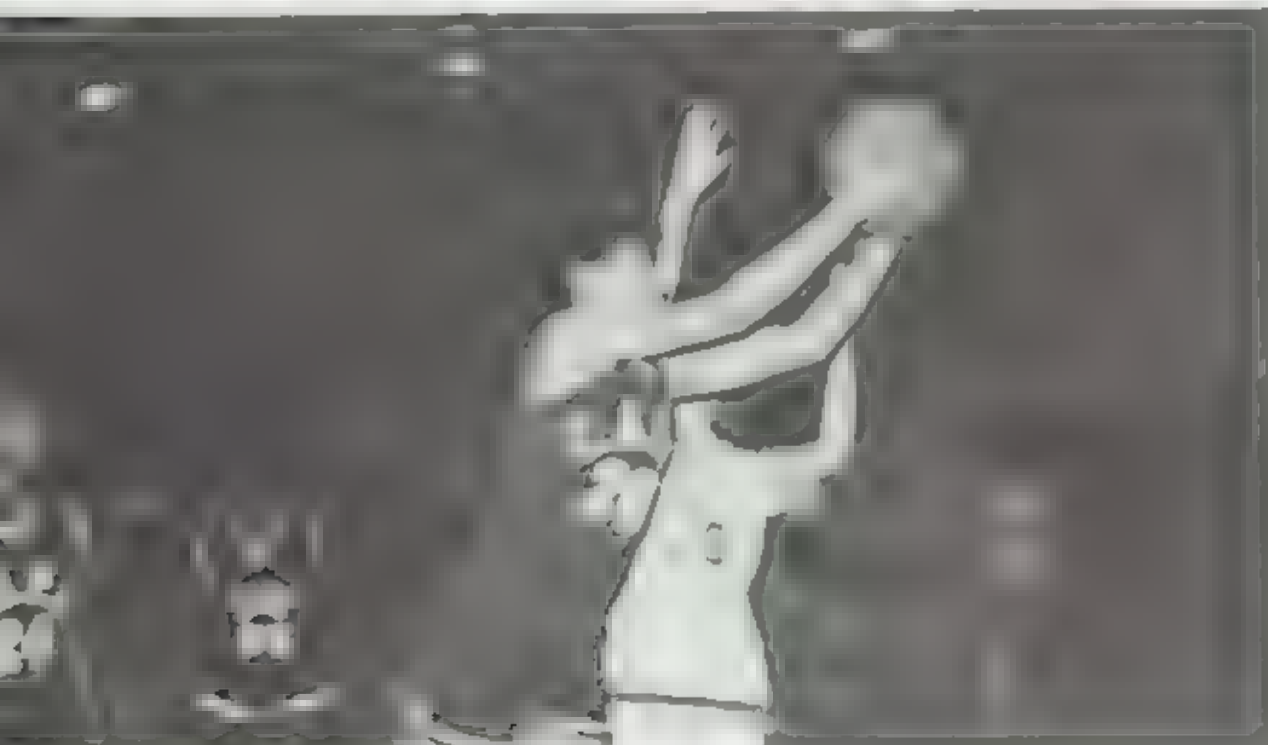

# Girls Basketball Has Standout Season

In their best season ever, the Lady Crusaders were ranked as the No. 1 AA girls basketball team in the city. Their hopes at a district title were dashed, however, when they went down to defeat at the hands of St. Ursula in the second round of the sectionals. But not all was lost, as the season set an example for the girls to try and beat next year.

(1) Tracy sets for a free throw. (2) CAPE outreaches three Madeira players. (3) A struggle for the rebound. (4) Coach Burke gives instructions at time-out.

1. Tracy goes in for a lay up. 2) and 3. Coscher have to make quick use of time outs. 4) Andrea Smylie goes after a jump ball. 5) Marty Morick takes the ball to the hoop. 6) Andrea Erca Lane shoots a jumper.

# CAPE Trackmen Place Second In State

With Vinnie Clark taking a first in the 200m dash, the men of CAPE finished second in the Class AA state meet. It was a great finish for the Crusaders who had pushed for this success throughout the long spring. The duels between Clark and Snow were fabulous. Coach Rick Christoph won Coach of the Year honors

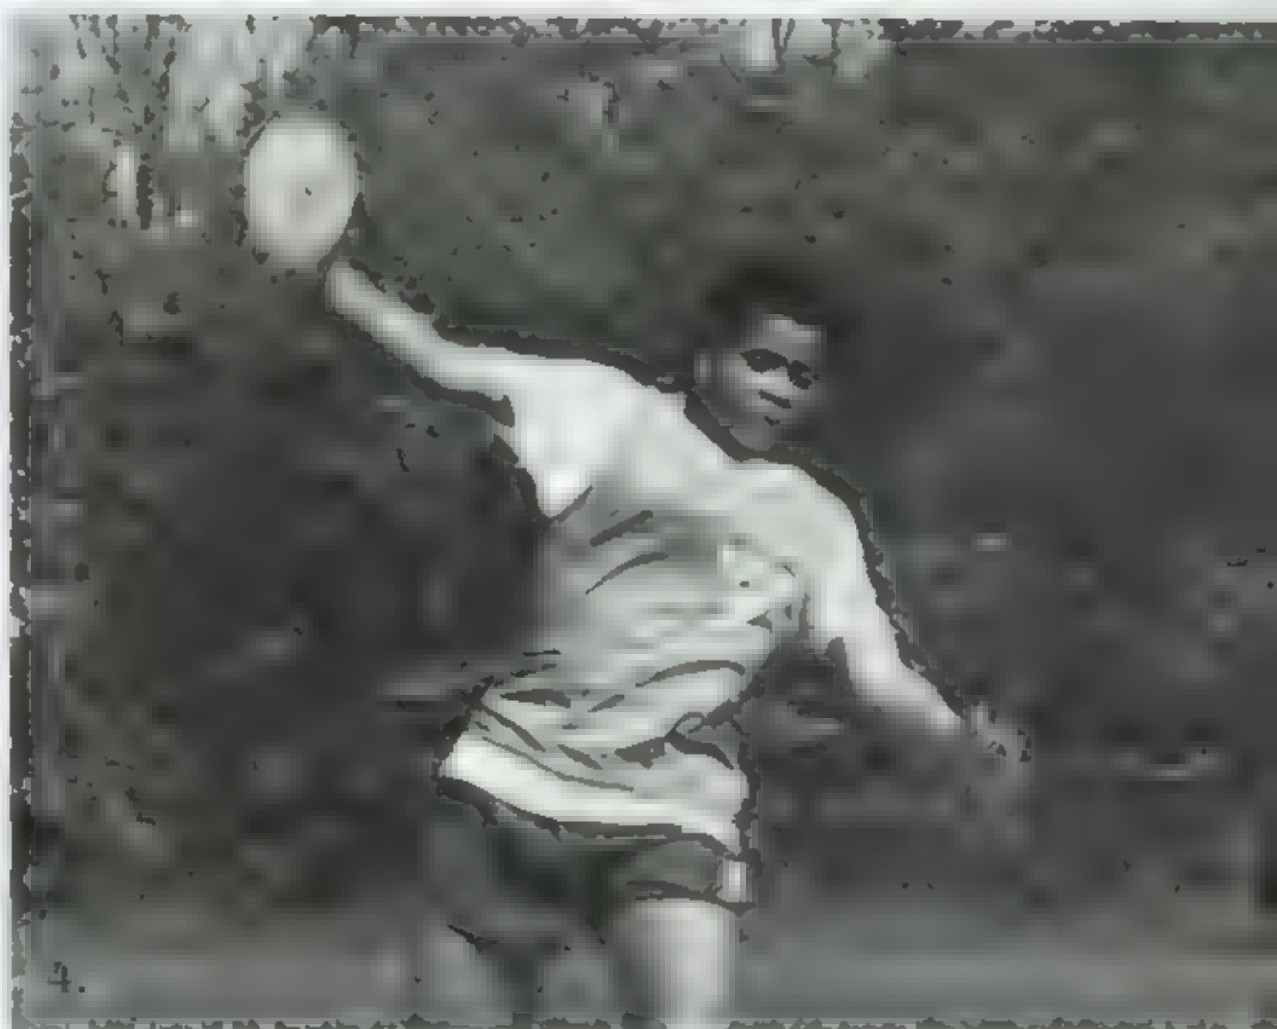

(1) State Champ in the 200m, Vinnie Clark shows his stuff! (2) It's a duel between Corey Fenderson and Aaron Mcmillan. (3) The strain of competition shows on David Mathis and Charles McBerry. (4) Eric McMullen with the baton. (5) Jude Johnson shows the form of an Olympian. (6) Troy Segar heaves a mighty throw

(1) Sam Liseabee takes the curve in stride. (2) Corey Fenderson sails on the long jump. (3) Out of The blocks! (4) Larry Joiner holds tight to the baton. (5) Derek McCray goes the distance. (6) David Mathis beats his man.

(1) Tracy Brown competes in the long jump (2) Marty Monock gains quickly on her opponent (3) Shynita Kelly shows the strain of putting the shot (4) Stacy Carter releases the disc

## Girls Track Team Wins District And Regional Titles

Coming back as defending state champs is a difficult thing to do! But the Lady Crusaders meant business. In a new class-one up from the '86 season — the girls had a lot to prove. Despite the fact that they did not repeat as state champs, they let the state know they were real contenders in Class AA. They won both the district and regional crowns. Quite an accomplishment!

(1) Jaquetta Brown and LaGina Carter clear the hurdles. (2) Jackie Jordan leans into the tape (3) Michelle McGruder, State champ in the 100m dash nips Tyra Gordan at the finish (4) Vonya rounds a curve. (5) Richele Richardson at the finish line

## New Home Gives Fans Something To Cheer About

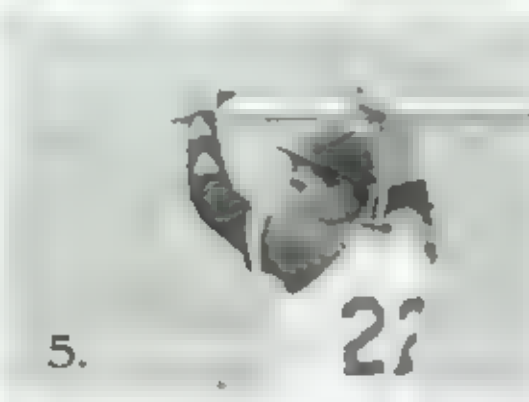

The 1987 Baseball Team had its best crowds ever. After several years without a home, the team found the new field and home crowds to its liking. With this added incentive, the team came through with a season that could only be described as successful. Coach Runion's enthusiasm for the game is contagious. Standouts on this year's squad were Ricardo Hill, Scott Rheude, Billy Philpot, and Ty Troxell. Their quad-captainship proved to be the leadership needed.

# Softball Prosperes Under New Head Coach

The 1987 edition of the Varsity Softball Team debuted under the direction of new head coach, Terry Bailey. When that first win came against Mariemont, the girls' enthusiasm abounded. The improved record acquired by the team made this springtime season one of thrills, triumphs and togetherness. Mr. Bailey looks forward to next season when he'll have all but the three seniors returning. Those seniors are Ginger Williams, Missy Votaw and Stephanie Sharp

## Cheerleaders Add Color To Athletic Events

The 1986-87 C A P E Varsity cheerleaders had a very successful season this year. Although their success cannot be judged by scores or victories, it seems that all the girls will agree that their time together will never be forgotten. After Ginger Williams, Jackie Jordon, and Jodi Wallace graduate, the remaining seven should make an outstanding squad for next season. One thing that kept the girls close, was their wonderful coach Mona Besl. She always seemed to know how to get them going. And let's not forget the happiness they all shared when Mona had her second child. All-in-all it was a good season, and in parting we would just like to thank Stacy Bleh and the Philpot family for all their help during the season.

# Strength And Grace Exhibited By Gymnastic Teams

The Boys and Girls Gymnastic Teams both had successful seasons. Under the guidance of Coaches Baker and Berger respectively, these teams are making a name for themselves in the state of Ohio. The Varsity Boys Team placed ninth in the state competition. More importantly, they placed first in the state on the demanding floor exercise. The varsity Girls Team didn't fare as well, but with the experience gained during the year, they will be a contender in the years to come.

# Optimism High Despite Record

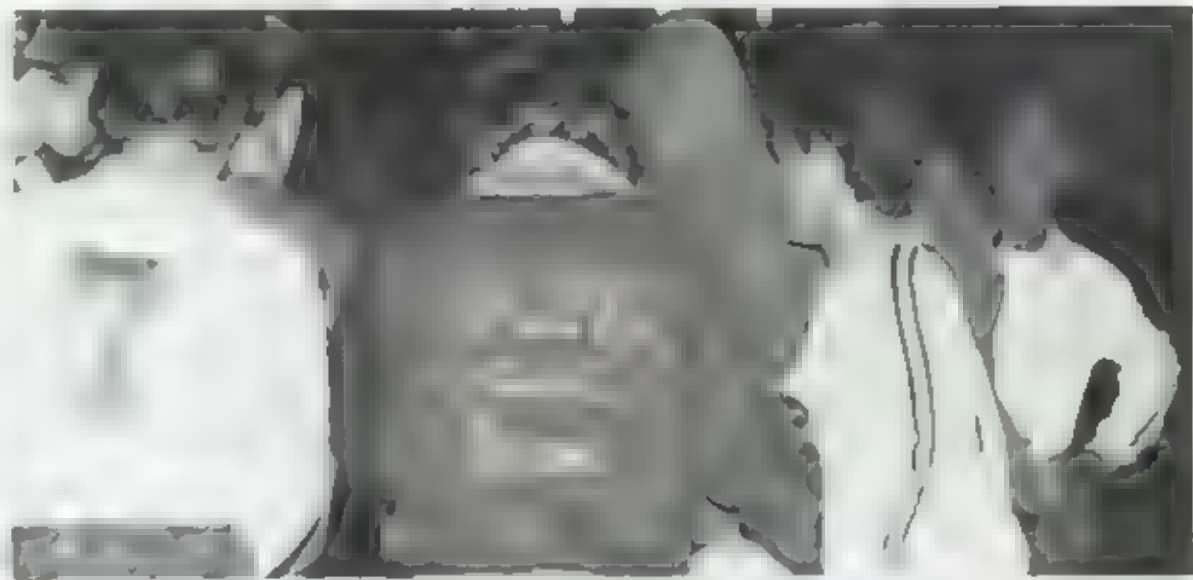

The 1986 soccer season was a success despite the record. The athletes learned to play as a team rather than as individuals. If the attitude and effort counted as the record, then the soccer team would have gone undefeated. However, the inexperience of some players and the tough league held the soccer to a below five-hundred season.

Coach Gardella stated that the program has taken a giant step forward and that he is very excited about next year's team. Even with the loss of a few key players like Stu Barrick and Scott Rheude, who have played for the team for the last 4 years, the team shows promise for the future. Along with other seniors Greg McClain, Vikki Rose and Rae Jean Lockwood, they will look with a keen interest in the '87 team.

(1) Steve scurries to save the ball (2) Steve gets an easy ball for a change as he mans the goal (3) Stu heads down field (4) Tim shows us some fancy footwork (5) Scott and Mike take a quick break from the action

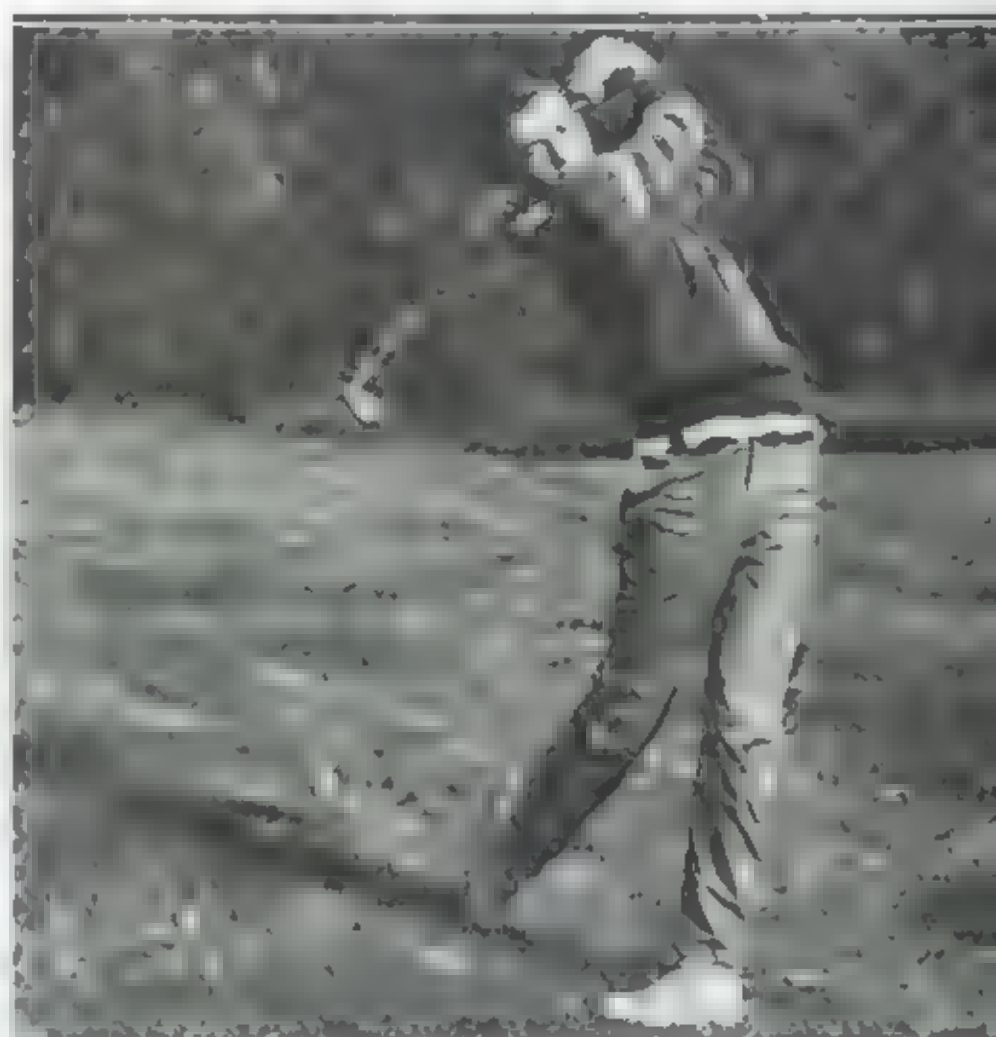

The first game of the season was a home game for the team. The players were very nervous, but they played well. The game was a close one, but the team won in the end. The players were very happy and proud of their victory.

# Fall Sports Break Summer Routine

The Varsity Golf Team had a very successful season. They made it all the way to the Regional Tournament as a team. These athletes contributed to building a fine reputation for the C A P E. golf team, around the City and throughout the State of Ohio. Their demeanor, attitude, and team motivation, often showed what it means to have "C A P E PRIDE." Getting ready for the cross country season begins during the hottest time of the year. When Coach Ranz met with this year's prospects on that hot August morning, the turnout pleased him. As the practice progressed, the weak fell by the wayside, but the hardy were just determined to get in better shape. The course is a challenge for all. And C A P E's team met that challenge.

# Bringing Home The Gold A Drill Team Tradition

One-two-three-four, left-right-left right! The sounds of marching feet are heard throughout the building every Monday, Wednesday and Friday of every week from the onset of cold weather into the spring. Up the ramps, down the hall, up the stairs into the new wing — on and on they march. These are the feet of the dedicated few who have earned so much for the school. Trophies line the library and fill the nooks and crannies of trophy cases. They all be on to the school's number one winner of trophies. Under the sponsorship of Mrs. June Clayton and the choreography of Ms. Barb Clayton, the Drill Team performs in the fall with the band. In the spring, the competitions begin. Not only do they travel great distances to compete, but in March they hosted the city-wide competition at C.A.P.E. Success if the name of these talented CAPETTES

## A black and white yearbook page featuring a grid of 72 student portraits and a large photograph of a student in a graduation gown. The portraits are arranged in 8 rows and 9 columns. The large photograph, located in the center-right, shows a student in a graduation gown and cap, standing and looking to the right. The student's name is partially visible in the caption below the photo: "M. J. ...". The portraits are of students of various ethnicities and ages, likely representing a high school or college class. The overall layout is typical of a yearbook page from the mid-20th century.

Superintendent Rowe and Mr. Maher show school spirit at special assembly

The tradition of excellence continued in 1986-87 as staff members and administration worked to provide the best education for CAPE students. The key to the school year was involvement among administration, parents, students and staff members.

Administration must set the tone

or pace. When that is set, most other things fall into place. But it always takes effort. This is the key to its success. CAPE received one of the highest honors awarded to a school in the district when it was named a merit school. All the hard work paid off.
